

Packaging Guide - WhiskyBazar

By Jutlander Group ApS

To ensure customer interests on WhiskyBazar, each item must be packed with sufficient documentation and in compliance with the following guide before shipping.

1) Shock Absorption

Safely wrap the Bottle + Original box (if included), in Air Bag packaging or Bubble Wrap (min. 3 layers).

2) Waterproof Bag

Place the item in a High-Quality Waterproof bag. Ensure that no sharp edges can damage the sealed bag.

3) Cardboard Box 2-Layer

Place the item centered in a 2+ layer corrugated cardboard box. Ensure that Paper Filling materials properly covers all 6 surfaces and fixes the item inside the box.

NOTE: For Prices above 500€, use additional spacers or foam profiles for corner protection (before paper filling).
Max dimensions of box: 30 x 30 x 50 cm.

4) Complete Packaging

Include buyers invoice inside the package. For shipping outside the EU, attach 3x buyers invoice in a delivery note pocket outside the package. Add shipping label and deliver to package store.

NOTE: Mark box with symbols: "This side up" (cf. the item's orientation) and "Fragile Goods"
